I love this song and the fact that it doesn't need any tags or restarts to keep us in time to the music makes it even more appealing. It's not a beginners dance but most everyone else should be able to manage it - although it could be a bit fast for some. Have a go anyhow - it's worth the effort! It's bright and cheery and I hope you enjoy both the song and the dance.
See you on the floor sometime..... Jan
