32 count, 4 wall, beginner/intermediate level

Choreographer: William Sevone (Oct 2006)

Choreographed to: Ring of fire (Stadium mix) by Dario
G (136 bpm), Disco Hits

Choreographers note:- The 'accent', within the choreographed music changes on the 3rd wall (for one wall) – so don't worry.. your timing is n't out. See the note about the 'restart' at the bottom of the script. And because of this restart, it is suggested that this dance is more suited for experienced beginners who have recently moved into the Advanced Beginner level.

Dance starts (after long intro) when the 'Spanish' horns come in (46 seconds). Weight on the left foot.

Restart: This will occur on count 16 of the 6th wall - facing 6:00.

This would also be the normal 'end of wall position' (count 32) if there was no restart.

As an added bonus - the music will stop for counts 13-16.- so you can't really miss it.

The dance will finish on count 32 of the 10th wall (6:00). To end facing 12:00, simply 'triple step' a full turn.

Other suggested music: Kimber Clayton Ring of fire (110 bpm) – no 'restart' required
