TAG

After the first four walls, please add a 96 count fast waltz tag. Suggested tag is dance 'Waltz Across Texas' completed twice, or for a bit of fun on the social floor, call it as a partner tag, just grab a person close by and waltz around the floor for the 96 counts, keeping in mind you'll return to a line to complete the dance!

Dance starts up again facing the front, on the second sequence. Dance to count 24 (scuff). Tap right heel out on right diagonal and hold for a pause in the music. Start up on count 25, dancing the "side, behind and cross and cross". Then step right out to side, rock onto left in place, and finish by stomping right next to left.
