In memory of Janine Passmore from Brisbane who was 14 when she died in a motor vehicle accident 15 years ago. She would have been 29 on the 11th March 06. To her mother Sandra, who dances with Evie Luck in Brisbane, it seems just like yesterday. I don't know you Sandra, but I know your pain because my lovely Anneke died on 15th March 1999 and that could also be yesterday, in my mind. I am happy to write this dance for you, in memory of Janine, who loved animals specially lost or injured animals and loved the colour yellow!
