Love Machine

32 count, 4 wall, beginner/intermediate level

Choreographer: William Sevone (Sept 2004)

Choreographed to: Love Machine by The Miracles
(144 bpm) on many compilations... for alternate music
please refer to dance sheet

Choreographers note:- Because of the high tempo and tightness of the dance, it is ideally suited for the established Beginner (new levels) who is now moving onto the next level - Advanced Beginner. The only cautionary note being to remember the final toe strut is a short stepped one - otherwise you may over balance a little when restarting the dance.

Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.

Dance starts with the 'solo' vocals after the 32 count intro. Feet together, weight on the left foot.
